GALLAUDET NINE TO MEET MT. ST. JOSEPH

Kendall Greeners Battle Baltimore Col-
legians Today—Ferguson to
Work on the Mound.

Mount St. Joseph's College of Balti-
more is to play Gallaudet College at
Kendall Green this afternoon, weather
permitting. The Baltimore collegians
were easy for Georgetown in their first
game last Saturday, but should put up a
better game today, after another week's
practice.

Rasmussen, Gallaudet's star hurler, ex-
tended himself too early this spring and
is suffering from a sore shoulder. Fer-
guson, who showed up well against C. U.
last week, will start the game. Inclement
weather has hindered the preliminary
work of the Gallaudet squad, but they
have shown flashes of form during the
practice and should develop.

Gallaudet will line up: Schow, if
Tinker, c; Capt. Rockwell, ss; Randall,
c; Marshall, lb; Sliker, rf; Peard, cf;
Mills, 3b; Ferguson, p.

STAMFORD TENNIS TEAM TO TOUR THE EAST

New York, March 31.—Stamford Uni-
versity will be represented this year in
the Eastern tennis meets by a two-man
team, which will leave San Francisco on
before May 15 for a two weeks' cam-
paign. A try-out tournament will be held
in order to select the duo which will wear
the cardinal colors. The schedule of
matches arranged for them is as fol-
lows:

May 19, University of Utah, at Salt
Lake City; University of Colorado, at
Boulder, May 22; University of Illinois,
at Champaign, Ill., May 22; University of
Chicago, May 24; University of Wisconsin,
at Madison, Wis., May 27; Georgetown
University at Washington, D. C., May 30;
University of the City of New York, May 30;
Yale University, May 31; Harvard University,
June 2; Fordham University, at New York.

COLUMBIA OUT OF IT.

Crew Has Been Withdrawn from
Decorations Day Regatta.

New York, March 31.—Because of the
unprecedented early departure of the Co-
lumbia navy for Poughkeepsie this year,
none of the Blue and White crews will
be seen this year in the annual Decoration
Day regatta of the New York Rowing
Association on the Harlem. It was an-
nounced yesterday that as the regatta
is on May 29 and the squad leaves for its
quarters at Krum Elbow on May 27, it
would be impossible to take part in the
annual Harlem rowing carnival. It is the
first time in years that Columbia will not
be entered in at least three races.

Columbia Rice said the chances are that
he and his crewmen will embark for the
Edgewater quarters on Monday. This is
two days earlier than he intended. The
Hudson is clearing fast of its ice flow
and will be in shape by then. Rice be-
lieves no change is contemplated in the
personnel of the first and second vari-
ety boats when the shells take to the
water. Unless the men show decided
leaves in form the varsity is settled for
the year.

Racine, Wis., March 31.—Ever Ham-
mer, a promising young light-weight,
here tonight when he steps ten rounds
with former Champion Ad Wolgast. It
promises to be a real scrap, as both
boys fight at close range.

Decision to Leonard In Battle with Welsh

New York, March 31.—Benny Leonard,
is not yet light-weight champion, but he
can afford to wait. With him the title
is simply a question of time. This he
proved tonight to the satisfaction of a
packed house at Madison Square Gar-
den, when he outpointed Freddie Welsh,
the Englishman, who trimmed Willie
Ritchie for the world's honors of this
particular class.

It was a thrilling ten-round battle, one
of the best engagements of this or any
other season, and Welsh has no reason
to feel disgraced at his showing. He
met a man cool, crafty and clever, al-
most as crafty as the Briton ever was
at his best. The Briton fought every
minute of the way. But his stiffening
sinews had to give way to the vigor and
dash of youth.

But for the cool and calculating coun-
ting of the veteran ringster, Leonard
would have had a chance to grasp the
title without further ado. Several times
he had Sir Frederick in evident distress.

VIRGINIA IS BEATEN BY AMHERST PLAYERS

University of Virginia, March 31.—Am-
herst scored her revenge on Virginia
this afternoon, walloping her to the tune
of 5 to 3. Bill Rixey hurled for the locals
and showed good form except in the
passes he gave.

In the fifth Rixey issued two passes,
which, coupled with an error and a hit,
tallied three runs for Amherst. Virginia
rallied in the seventh and eighth for
three runs, but Amherst earned two
more, and sewed up the affair.

Tabor hurried for the visitors, and
the game under control throughout. The
Virginia nine left tonight for its South-
ern trip, the first game being with North
Carolina at Greensboro tomorrow. The

phia, Baltimore and Washington Rail-
road Athletic Association will stage a

Club tonight, which will include five

graph of the injured right hand of Jess
Willard showed that one of the large
bones was broken. Dr. J. H. Cramer,
who made the examination, gave out this
statement today:

"I find from the X-ray I have taken
of Jess Willard's right hand that he
has a fracture of the os magnum of

ROCK HILL IS HERE TO PLAY CATHOLIC U.

Maryland Collegians to Clash with
Brooklanders Today at 3:30 P. M.
Johnson Slated to Pitch.

The strong Catholic University base-
ball team will tackle the Rock Hill
College of Maryland in its second game
of the season today and a hard-fought
game is expected. The College boys
are coming here looking for revenge
for their defeat at the hands of St.
John's College last Saturday.

Coach Moran has had his team on
the field working since the game
against the Nationals on Thursday and
is putting the boys through some hard
practice in preparation for this con-
test.

The big Red and Black team will
use the same line-up as played in the
game against the professionals, when
a creditable showing was made.

Don Johnson will start the fray with
Frank Fayer ready to go to his relief
at any time, or in case the coach de-
cides to let some of his freshmen pitch-
ers work out, the first choice will be
Kendricks. Kendricks showed a lot of
stuff in the game against Gallaudet,
but needs lots of work to get better
control. The game will be called at
3:30 o'clock and umpire Woodward
will handle the game.

CLEVELAND INDIANS TRIM THE CUBS

New Orleans, La., March 31.—After
having mingled with champions the Cubs
switched to tall-enders here this after-
noon and the record was further solid-
ified, the lowest, depleted and mangled Cleve-
land Indians turning the trick by the
score of 4 to 2.

PITCHER FOR EVERY BATTER, SAYS JONES

St. Louis, March 31.—A hint that he
will use his old tactics of swiftly chang-
ing pitchers in crises was given by
Fielder Jones, new manager of the
Browns, at the training camp. Somebody
suggested, noting that George Siler was
being worked as a pitcher in addition to
first baseman, outfielder and pinch hitter,
that the squad was overburdened with
southpaws.

"You can't have too many of any
kind," said Jones. "Did you ever stop
to think that the elimination of one dan-
gerous batter in a pinch may win a ball
game for you? If, as you say, I am over-
loaded with left-handers, I may revive
the practice of using certain pitchers for
certain batters. The worry of having too
many good southpaws never will turn
my hair gray."

NO GAME IS BOOKED FOR THE AGGIES

College Park, Md., March 31.—Followers
of the Maryland Agricultural nine, who
had contemplated taking a journey to
College Park tomorrow to see the Aggie
nine cross bats with Swarthmore, are
doomed to disappointment, as the op-
ponents of the Farmers have called the
game off owing to the bad weather. They
have been experiencing while on their
Southern trip. They have had 109
games scheduled, and all have been de-
stroyed with, so the manager decided not
to play the fifth and took his team home.

HOUSTON LOSES TO NEW YORK GIANTS

Houston, Texas, March 31.—The
Houstonians were again beaten by the
New York Giant regulars here this
afternoon. The score was 4 to 1. The
victors showed big league class from
start to finish. Five double plays were
made, three by the Giants and two
by the locals. The visitors were cred-
ited with nine hits, but three were
long smashes that resulted in runs.
